Professional Golfers Journal.

PGJ 

“Golf is a game of inches played between the ears.”

- Bobby Jones

We took this quote as inspiration and created the Personal Golfers Journal to be three things in one:

- *A coaching tool with five easy mental game lessons to help golfers “mind their game”™;*
- *An interactive golf journal to record lessons, scores, and insights;*
- *A notebook and calendar to help manage a golfer's personal and business life.*
